### **National Service Dog Eye Exam Event: May 2010**

May 1, 2010 by [The PetWork®](#)

The [American College of Veterinary Ophthalmologists](#) will host another public service event in veterinary medicine the month of May 2010. Over 170 ACVO board certified veterinary ophthalmologists will donate their services to provide eye examinations to Service Dogs across America and Canada. Best of all, the Service Dog's owner/agent will incur no cost for these services. It is anticipated that through these efforts Service Dog health can be improved and potential disease averted for thousands of animals.
