### Free Eye Exams

Quote:

The 3rd [ACVO](#) National Service Dog Eye Exam event will provide a free screening eye exam to Service Dog groups including: **guide dogs, hearing dogs, handicapped assistance dogs, detection dogs, police dogs, search and rescue dogs and formally trained and certified therapy dogs** (through the Delta Society or similar). Dogs must be active 'working dogs' that were certified by a formal training program or organization or currently enrolled in a formal training program to qualify. The certifying organization could be national, regional or local in nature. Essentially the dogs need to have some sort of certification and/or training paperwork to qualify for this particular this program.
