

ACVO NATIONAL SERVICE ANIMAL Eye Exam Event

Sponsored by Epicur Pharma

The ACVO/Epicur National Service Animal Eye Exam is a philanthropic event that provides free ocular screening eye exams to qualified Service and Working Animals each May.

These exams are provided by those members of the American College of Veterinary Ophthalmologists who choose to participate and volunteer their time and resources.

DOES YOUR SERVICE ANIMAL NEED THEIR EYES EXAMINED?

Each year qualifying, formally trained Service and Working Animals, and some qualifying assistance and therapy animals, participate in the ACVO/Epicur National Service Animal Eye Exam Event to receive free sight-preserving screenings.

Registration occurs online, April 1st through April 30th. Exams take place throughout the month of May at participating clinics. Visit the website to view participating locations.

14

years of free eye exams

76K+

animal eyes examined since 2008

200+

board certified veterinary ophthalmologists

Register: April 2023 | Exams: May 2023
